Dear Valued Game Ready Canine Customers,

After much consideration, today we are announcing the immediate discontinuation of our Game Ready Canine product line. We want to sincerely thank you for your support and use of the Game Ready System to aid in canine recovery over the last many years.

While it is sad to say goodbye to the Game Ready Canine product line, we are eager to put our efforts into supporting the equine and human sides of the business and exploring more ways to use our technology to improve recovery.

Our customer service team will continue to provide support to address any warranty issues or device troubleshooting. If you have any further questions, please contact your Game Ready Representative or Customer Service at 1.888.GameReady (1.888.426.3732) or [customerservice@gameready.com](mailto:customerservice@gameready.com).

Warm Regards,

Tomasina Barton  
Senior Vice President, Marketing
